**Monday - Friday
5:00 am - 6:00 pm
Saturday 8:00 am - 2:00 pm**

Workshops!

2022 Dates Available

OMJ Career Prep Workshops: listed on calendar

This class helps with resume preparation, job search tips and assistance, registering and uploading resume to OhioMeansJobs.com, and interviewing skills. Participants will leave the workshops with a resume, an active profile on OhioMeansJobs.com, and will have completed a mock interview session.

WIOA Info Sessions:

The 2nd Wednesday of every month from 9:00 a.m. to 11:00 a.m. Please call to schedule as these Info Sessions are subject to change due to holiday closures and available funding. Space is limited.

Please note: All workshops are held at Ohio Means Jobs Miami County and are no cost services. Pre-registration is required. This can be done by calling 937-440-3465 or stopping by Ohio Means Jobs Miami County at 2040 N. County Road 25A, Troy, OH.

Any questions, please call 937-440-3465-Option 1.

****Workshops are subject to change.***

May 2022

CAREER PREP!

Gain the skills needed to land the job you want by attending our OhioMeansJobs Miami County workshop series. These workshops will launch you into your next career. Choose one or attend all for FREE in-person or virtually live via Microsoft Teams.

Soft Skills

2022

01/13, 03/03, 05/05
8:30 am - 11:30 am

02/03, 04/07, 06/02
12 pm - 3 pm

Six key skill areas that will get you ahead in the professional world. Topics include communication, enthusiasm, attitude, teamwork, networking, problem solving & critical thinking, and professionalism.

Resume

2022

01/20, 03/10, 05/12
8:30 am - 12:30 pm

02/10, 04/14, 06/09
12 pm - 4 pm

A resume is a door opener, a personalized marketing tool with a summary of your knowledge, skills and experience used as a guide for an employer to see what you can do. A well written resume can help you stand out and gain an interview.

Interviewing

2022

01/27, 03/17, 05/19
8:30 am - 11:30 am

02/17, 04/21, 06/16
12 pm - 3 pm

Effective planning and preparation for an interview will show an employer you are, "In it to win it". This comes with knowing yourself, answering questions effectively and knowing what to do after the interview. Practice makes better.

HOW TO REGISTER

WHETHER YOU'RE JOINING IN-PERSON OR LIVE VIRTUALLY VIA MICROSOFT TEAMS, REGISTER AND CREATE A PROFILE AT WWW.OHIOMEANSJOBS.COM - THEN GO TO THE "EVENTS" TAB AND REGISTER FOR THE EVENT OF YOUR CHOICE.

EMT SPONSORSHIP
thru
Edison State Community College

Start a Career in Emergency Medical Services!

Global Medical Response, the largest medical transportation company in the world, is offering Dayton area residents the opportunity to become a Certified Emergency Medical Technician (EMT).

Requirements include successful completion of:

- Edison State's EMT program, followed by 1-year full time work commitment with AMR.
- National Registry Certification and local protocols

For more information, please email Thomas Kaeff at thomas.kaeff@gmr.net or Brandi Olberding at bolberding@edisonohio.edu.

We are looking for hard working, reliable men and women to become Class A CDL drivers. If you are 23 years of age or older, have a good driving record and a willingness to learn something new, we can help you with the rest.

If chosen for our program, we will help you enroll in our partner driving school, pay your tuition and pay you a stipend during the 4 week course.

Once you obtain your CDL, we will pair you with one of our experienced trainers who will help you develop the skills necessary to excel in this highly rewarding industry. Within 12 weeks, you can graduate the program and be on the road on your own with no educational debt.

First year drivers
can make over
\$60,000 and our
seasoned drivers
make over
\$100,000 per
year!

Invest in yourself!

Edison State offers certificate programs, which are often much shorter than degree programs. These certificates provide a number of excellent benefits to help you obtain the job you want or grow with your current employer. Edison State now offers over 70 certificates online and in-person to choose from within all career pathway options. Our career pathways make it easy to land the job you want in today's competitive workforce.

Take courses from our 4 convenient locations or the comfort of your home!

Tuition at a price that fits your budget with scholarships available!

Get a better and higher paying job on your way to earning a college degree!

In-Demand Certificates leading to a career:

- CNC Programming
- Supply Chain Management
- Automation and Robotics
- Marketing
- Help Desk Support
- Medical Assisting
- Phlebotomy
- Pharmacy Technician (online with ed2go)
- Networking

PROGRAM HIGHLIGHTS

- Advance your current role while earning college credit.
- Fast completion times. Work can be completed in a year or less.
- Industry focused, designed for workforce preparation.
- Certificates are stackable and can lead to a degree.

Apprenticeship Opportunities

Plumber / Pipefitter / Refrigeration Apprenticeships

A plumber/pipe fitter installs, maintains, repairs and tests many different types of pipe systems. These skilled workers install pipe systems that carry water, waste drainage, steam, air, or other liquids or gases needed for sanitation, industrial production, medical or other uses. They also alter or repair existing pipe systems and install plumbing fixtures, appliances and heating and refrigeration units. Work may be indoor or outdoor in all weather; in high places or in trenches. Plumbers and pipe fitters require physical stamina because of frequent heavy lifting and being on one's feet for long periods of time.

You must:

- ◆ Be at least 17 years of age
- ◆ Possess a High School diploma or GED Certificate
- ◆ Have an official high school transcript
- ◆ Complete a trade related aptitude test
- ◆ Have a valid Ohio driver's license

It will be helpful to have completed courses in or possess the following skills:

- ◆ Good reading ability
- ◆ General math, algebra, geometry
- ◆ General science, chemistry and physics
- ◆ Blueprint reading and mechanical drawing
- ◆ Welding, metal and machine shop
- ◆ Good work ethics
- ◆ Good attendance

What are the program specifics?

- ◆ Length of the program is 5 years
- ◆ Probationary period is 1 year
- ◆ Minimum of 168 hours of classroom-related training each year

Plasterer Apprenticeships

Plasterers apply plaster, cement, or acrylic finish products to the interior and exterior of walls and ceilings of hospitals, office buildings, schools, warehouses, residences, shopping centers and large industrial and commercial buildings. The craft requires an extensive amount of outdoor work. This is a very active, strenuous trade with much standing, stooping, bending, climbing and carrying. The ability to work at heights is a must.

You must:

- ◆ Be at least 18 years of age
- ◆ Possess a high school diploma or GED Certificate
- ◆ Have a valid driver's license
- ◆ Have dependable transportation

It will be helpful to have completed courses in or possess the following skills:

- ◆ Good reading ability
- ◆ General science
- ◆ General math
- ◆ Drafting

What are the program specifics?

- ◆ Length of program is 4 years
- ◆ 6 months probationary period
- ◆ A minimum of 144 hours of classroom related instruction each year
- ◆ Starting pay is 50% of Journeyman

PROJECT MANAGER & ESTIMATOR

Full-time. A Project Manager/Estimator will: Prepare and complete estimates for assigned project(s) ranging in size and complexity from small to large. Review proposal specifications, drawings, attend pre-bid meetings, etc. to determine scope of work and required contents of estimate. Coordinate the identification of items and information needed for bid preparation. Utilize computerized estimation software and follow the company's "Estimate Procedures Checklist". Follow awarded contracts as assigned potentially estimating extra work items, change orders, credits, procuring material, etc., and overall management direction for field projects. Review and analyze task code reports of actual cost vs. estimated cost and assume additional responsibilities per supervisor direction. The ideal candidate will be a business-oriented person with superior communication and interpersonal skills (tact, diplomacy, influence, etc.) and an interest and ability to estimate all types of projects/contracts.

Experience/Certification Required: Educational and experience requirements include: 4-year degree in electrical technology or electrical engineering; or completion of a qualified electrician apprenticeship program; or equivalent training and/or experience (5-10 years). Ability to coordinate and supervise a group work effort. Computer literacy is required and CAD experience is preferred.
